Gust Tzortzakis was born in 1886 in Arhanes, Crete and came to America on board the S.S. Guilia ship on December 2, 1907.

Vasiliki Spiropoulos was born in Akrata, Peloponesos in 1892 and came to Canton in 1909 at the age of 17 years old. Gust met Vasiliki and were married in Canton in 1911. She was the second Greek woman to reside in Canton.

Gust and Vasiliki were the parents of ten children. Unfortunately the first five girls had not survived. They later had two sons and 3 daughters. They were among the first families of St. Haralambos Church. They lived at 513 Walnut Avenue S.E., almost across from the church on 6th Street S.E., where they raised their family and supported all the functions of the church.

Gust passed away on December 22, 1955 at the age 69. Unfortunately Vasiliki passed away at the early age of 50 years on April 8, 1942. Left to raise and take care of the family was our mother's sister, a widow, Efrosini Economopoulos, whom we had longer than our mother.

Of the siblings, Esther is the only survivor to live long enough to be fortunate to celebrate the 100 years of our beloved St. Haralambos Church.
